## Volunteer Opportunities at AMRoC

### *Fall 2024 opportunities*

AMRoC Fab Lab is a program of the nonprofit Foundation for Community Driven Innovation (FCDI) and dedicated to capacity building STEM, workforce, and entrepreneurship programs for all ages. Volunteers contributing at least 20 hours a month receive free access to AMRoC Fab Lab workshops and resources, including 3D printing and free participation in most classes or programs.

<b>Volunteer Role</b>	<b>Description</b>	<b>Days/Times</b>
<b>Guest Services</b>	Answer questions, give tours, help people learn about and sign up for programs – fairly low key, opportunity to do classwork in between guests	Tuesday-Friday 2 shifts available: 11:30am to 3:00pm 3pm to 6:30pm
<b>Childcare/programming support</b>	Providing educational childcare support for adults in our workforce and entrepreneurship programs – LEGOS, simple robotics, build or art projects – Great for Early Childhood/Elementary Education students, or others with early childhood work experience	For entrepreneurship training program, which runs November – January, and occasionally other programs
<b>Youth Robotics Program Support</b>	Providing assistance during elementary, middle and high school robotics programs – great for those with interest or expertise in Electrical, Mechanical, Computer Science, and Engineering fields, as well as business and general youth mentoring experience	Saturdays 1 pm to 7 pm
<b>Shop Support</b>	Helping provide maintenance, organization and operational support in our workshop – Great for those with mechanical, woodworking or related skills and interests	Fridays and Saturdays as well as set times during weekdays, at Volunteers' availability
<b>3D Printing Lab</b>	Operations and support role – Great for Engineering, Design, and related interests	Varies by Volunteers' availability
<b>Entrepreneurship &amp; Small Business Support mentoring/coaching</b>	Providing educational guidance, mentoring and support to those in our Equity in Entrepreneurship program - Great for those with business and finance experience, professional development, media and marketing, and related	Weeknights during EE programming (usually Fridays)
<b>Sewing and Textiles Support</b>	Volunteers with interests in sewing, costuming, textiles and related	Tuesdays and Wednesdays – 5 pm to 7pm - sewing group sessions and special classes
